3. Get restock provisioning and budget analysis

Evaluates all items with a quantity less than or equal to 5, calculates the units needed to reach

the clinic's ideal stock of 15 units per item, and sums their estimated costs to deliver a consolidated replenishment budget.

Request

Method	URL
GET	http://34.56.164.152:3001/fabuladental/supplies/restock-provisions

Body is empty, you need to put the bearer token

Response

HTTP code	Response
