

Date: Friday, June 12th 2026

1) URI 6.1 Health Check (Business Logic) ✓

2) URI 6.2 Register Patient (Business Logic)

In postman, the expected response doesn't match the documentation

3) URI 7.1 View all therapies (Business Logic) ✓

↳ Comparison URI vs Documentation

URI: Get financial Report return more files than report class

Use medical, appointment, therapy is fine

In spanish the diagram class
